Mr. Ken,

Very thanks for the final DNV approval letter & certification for the king post, turn table & burner boom 1 & 2. As discussed, I will collect the original DNV approval letter & certificate from Shirleen at DNV office at 0900 hrs on Monday, 15th Oct. Please have the invoice for this review ready so that I will collect it also & will process it for payment.

It was also a pleasure for us working with you & yes of course for a "urgent" project like this. Thanks for all your cooperation in this project.

By copy to Cyber marine & Crystal Offshore - I would like to thank Cyber marine & Crystal Offshore for your dedication, hard work & co operation in this project. Look forward to work with you again in another projects.

Regards,
Prashant Padharia

Hi Prashant,

Attached DNV Final Cert for Turntable, Kingpost/Tieback and Boom 1 & 2 for your retention.

Original DNV approval letter and certs are ready for collection from DNV office, kindly call Shirleen +65 65083913 before collection.

It was pleasure to work with you and your team in this "urgent" project and we look forward to seeing again in the near future.

Best regards,
